

# SPIRIT FINGERS TRIO

Debut announcement • Greg Spero (piano) • Mike Mitchell (drums) • Mohini Dey (bass)

*A supergroup built on fearless groove, virtuosic interplay, and forward-leaning jazz fusion.*

## ABOUT

Spirit Fingers Trio unites three boundary-pushing artists into a lean, high-voltage trio that moves effortlessly between deep pocket, odd-meter propulsion, and open-ended improvisation. Born from the Spirit Fingers universe, this new configuration strips the sound to its essentials—piano, bass, and drums—so every idea hits harder: melody as rhythm, rhythm as harmony, and groove as the common language.

## HIGHLIGHTS

- Three headline-level voices in modern jazz/fusion
- Groove-centric originals + reimagined favorites
- Built for both listening rooms and festival stages
